

Call for Applications: EU SUMMER SCHOOL 2025

"Harnessing AI: Interdisciplinary Perspectives on Challenges and Innovation"

25-28 June 2025

The EU Summer School is organised by *the Young Cell Scheme Programme for Kosovo (Rounds XIII, XIV and XV)* and *the University of Prishtina "Hasan Prishtina"*, in cooperation with the Programme alumni.

The Objective of EUSS 2025 is to explore AI's capabilities and limitations, identify ethical and legal challenges, understand its implications for cybersecurity, foster interdisciplinary collaboration, and promote critical engagement among young scholars.

International experts, government officials, local business leaders, innovators, journalists and Young Cell Scheme alumni in Kosovo's civil service will lecture on topics related to the main theme of the Summer School. The Summer School will feature lectures from experts, interactive workshops, simulation exercises, collaborative projects, and public roundtables involving various stakeholders. Each participant who successfully participates in the EUSS 2025 will receive an attendance certificate.

WHO CAN APPLY?

- Young researchers, students from public and private universities in Kosovo;
